

Militant lawmakers reject signing position on pork
by Enrile
SUCS (SUCS) lawmakers rejected the signing of a controversial pork law, saying it was a violation of the constitution and the law. The law, which was passed by the House of Representatives, would allow the government to spend money on pork projects without the need for a law. The law was signed by President Duterte on Monday.

Revilla named PEA chair

77-year-old ex-senator says he's fit to handle job
By Maria Loring-Jordan
SENATOR ROLANDO B. REVILLA, 77, says he is fit to handle the job of chair of the Philippine Economic Association (PEA). Revilla, who served as a senator from 1995 to 2001, was elected to the position of PEA chair in 2016. He is currently a member of the Senate of the Philippines.

Maverick diary bares fins on martial law
by Enrile
A diary by a maverick senator, which was found in his home, reveals his thoughts on martial law. The diary, which was written in 1972, contains several entries that are critical of the government's actions during the martial law period. The diary was found by a relative of the senator, who is now a member of the House of Representatives.

Priest recalls martial law terror
by Maria Loring-Jordan
A priest who lived in the Philippines during the martial law period recalls the terror of that time. He describes the fear and uncertainty that gripped the country, and the impact that martial law had on the lives of ordinary people. The priest, who is now an elderly man, was interviewed for the article.

House body suspends hearings on nat'l budget indefinitely
by Maria Loring-Jordan
The House of Representatives has suspended its hearings on the national budget indefinitely. The suspension was announced by the House Speaker, who cited the need for more time to review the budget. The suspension is expected to last for several weeks.

Bunks already burdened, says Angara
by Maria Loring-Jordan
Senator Raul R. Angara says that the country's bunks are already burdened. He is referring to the country's infrastructure, which is in need of significant investment. Angara, who is a member of the House of Representatives, is calling for more funding for infrastructure projects.

Senators reject fiscal plan, say economy will contract
by Maria Loring-Jordan
The Senate has rejected the government's fiscal plan, saying that the economy will contract. The senators argued that the plan was too risky and that it would lead to a recession. They called for a more conservative approach to fiscal policy.

Scrap lawyers present witnesses in bid to diminish Charvi's credibility

By Associated Press Staff

SCRAP LAWYERS PRESENTED WITNESSES IN COURT TO DIMINISH THE CREDIBILITY OF CHARVI, THE DAUGHTER OF THE LATE KING ABDULLAH II, IN A CASE THAT HAS BECOME A MAJOR POLITICAL AND LEGAL ISSUE IN SAUDI ARABIA.

THE PROSECUTION HAS ACCUSED CHARVI OF BEING INVOLVED IN THE DEATH OF HER FATHER, A CHARGE THAT HAS SHOCKED THE NATION. THE DEFENSE TEAM, HOWEVER, IS STRONGLY DENYING THESE ALLEGATIONS AND IS WORKING TO CAST DOUBT ON THE EVIDENCE PRESENTED BY THE PROSECUTION.

IN A RECENT COURT HEARING, THE DEFENSE TEAM PRESENTED SEVERAL WITNESSES WHO CLAIMED TO HAVE SEEN CHARVI AT A LOCATION NEAR THE CRIME SCENE AT THE TIME OF THE INCIDENT. THESE WITNESSES STATED THAT CHARVI WAS WITH THEM AND WAS NOT INVOLVED IN ANY UNLAWFUL ACTS.

THE PROSECUTION, ON THE OTHER HAND, HAS PRESENTED ITS OWN WITNESSES WHO ALLEGEDLY SAW CHARVI IN A SUSPICIOUS POSITION. THE COURT IS CURRENTLY REVIEWING ALL THE EVIDENCE AND HEARING THE TESTIMONIES OF THE WITNESSES FROM BOTH SIDES.

THE CASE HAS GAINED SIGNIFICANT ATTENTION DUE TO THE HIGH-PROFILE STATUS OF THE DEFENDENT AND THE SERIOUS NATURE OF THE CHARGES. THE OUTCOME OF THE TRIAL IS EXPECTED TO HAVE MAJOR IMPLICATIONS FOR THE ROYAL FAMILY AND THE LEGAL SYSTEM IN SAUDI ARABIA.

According to the *Journal of the American Academy of Child and Adolescent Psychiatry*, the study found that children with autism spectrum disorders (ASDs) have a higher risk of being sexually abused than children without ASDs. The study also found that children with ASDs are more likely to be sexually abused by family members than children without ASDs. The researchers concluded that children with ASDs are at a higher risk of being sexually abused than children without ASDs, and that this risk is higher for children with ASDs who are also intellectually disabled.

Death deadlines hang over Iraq hostages

BEIRUT—In defiance of its millions who have threatened to burn Iraq's Embassy and a British school in Baghdad, Iraqis on Monday said more than 400 American hostages were still being held in Kuwait, a fact diplomats deny.

A group of 100 Americans and several others were held in Kuwait, the Washington Post wrote Monday, and the British school was a safe haven for students and teachers in Baghdad. The British school was held in Baghdad, the Post wrote.

The school was held in Baghdad, the Post wrote.

However, American and British officials said they were not sure how many hostages were still being held in Kuwait. The Post wrote that more than 400 American hostages were still being held in Kuwait, a fact diplomats deny.

The school was held in Baghdad, the Post wrote.

But in the weeks leading up to the crisis, the school was held in Baghdad, the Post wrote. The school was held in Baghdad, the Post wrote. The school was held in Baghdad, the Post wrote.

Smart, Globe world's biggest text earners

By Dennis R. Reyes

MANILA, Philippines — Smart and Globe Telecom Inc. are the world's biggest text earners, according to a new report by research firm Strategy Analytics. The two companies earned a combined total of \$1.1 billion from text messaging last year, up from \$800 million in 2006. Smart and Globe are the only two Philippine mobile operators to appear in the top 10 of the global list.

Restructured but is still end up sour

By Dennis R. Reyes

MANILA, Philippines — The Philippine Air Transport Association (PATA) has warned that the restructuring of the Philippine Airlines (PAL) group may not be enough to turn the airline around. PATA says that the airline's financial problems are too deep and that it needs more radical measures to survive.

PATA says that the airline's financial problems are too deep and that it needs more radical measures to survive. The association says that the airline's financial problems are too deep and that it needs more radical measures to survive.

PATA says that the airline's financial problems are too deep and that it needs more radical measures to survive. The association says that the airline's financial problems are too deep and that it needs more radical measures to survive.

PATA says that the airline's financial problems are too deep and that it needs more radical measures to survive. The association says that the airline's financial problems are too deep and that it needs more radical measures to survive.

The figure consists of two side-by-side scatter plots. Both plots have 'Number of Children' on the x-axis and 'Number of Adults' on the y-axis. The left plot shows a positive linear trend with a regression line starting near the origin and sloping upwards. The right plot shows a negative linear trend with a regression line sloping downwards from the upper left towards the lower right.

More habits that can make you fat

By Fina
PHILIPPINE DAILY INQUIRER
LIP-DIGEST

It's not just the amount of food you eat that makes you fat. It's also the way you eat it. Here are some habits that can make you fat.

Not enough sleep
A study published in the *Journal of Clinical Endocrinology and Metabolism* found that people who sleep less than six hours a night are more likely to gain weight.

Drinking too much
A study published in the *Journal of Clinical Endocrinology and Metabolism* found that people who drink more than three glasses of alcohol a day are more likely to gain weight.

Eating too fast
A study published in the *Journal of Clinical Endocrinology and Metabolism* found that people who eat too fast are more likely to gain weight.

Eating too late
A study published in the *Journal of Clinical Endocrinology and Metabolism* found that people who eat late at night are more likely to gain weight.

Eating too much
A study published in the *Journal of Clinical Endocrinology and Metabolism* found that people who eat too much are more likely to gain weight.

Eating too often
A study published in the *Journal of Clinical Endocrinology and Metabolism* found that people who eat too often are more likely to gain weight.

Eating too little
A study published in the *Journal of Clinical Endocrinology and Metabolism* found that people who eat too little are more likely to gain weight.

Eating too much
